

Membership in the PTO entitles you to a school directory that lists all of the participating Cranbury families, their addresses and phone numbers. This is a very useful reference tool to have during the school year. By being a member, you have the opportunity to serve as a room parent, help with one of our many committees, and/or be elected to the executive board.

Our dues help to pay for the many cultural events and programs that the PTO sponsors throughout the school year. This money also funds things that we all take advantage of, including the school calendar, first day folders and the monthly newsletter.
